EXPERIENCE

Dale Street Studio, LLC, Colorado Springs, CO

JAN 2021 - PRESENT

MBCA asked that I take a part-time 1099 contract during COVID remote work in 2021. During this time, I built more React projects to keep learning and started my LLC to handle freelancing.

MBCA, Colorado Springs, CO — Web Project Manager, System Admin, CMS Site Building & Web Development

NOV 2016 - DEC 2020

Primary Site Page Building, Project Management, QA, Content Management, System Admin for primary enterprise level Drupal 7 CMS + CRM system from client side. Helped oversee a large-scale migration from a single CMS database to a multi-database CMS + CRM. Identifying and helping to solve a complex membership structure and various reporting needs as PM. Also a full stack developer and support on a separate smaller Drupal 8 CMS system, it's modules/library updates, and it's hosting.

ClosedOp, Seattle, WA — Full Stack Web Developer

JUNE 2015 - MAY 2016

1 year contract. Deploying their first responsive site to launch. As well as starting the initial build on a separate .NET MVC C# based app.

UTMB, Galveston, TX — Web Content Specialist, Online Education & Programmer II

APRIL 2011 - JUNE 2015

.NET WebForms C# solutions. As well as responsive design & development to support the School of Nursing, School of Health Professions and the Provost Office.

Galveston Food Bank, Galveston, TX — Web Designer and IT

DEC 2010 - APRIL 2011

Designed and built their custom HTML/CSS/Vanilla Javascript site.

WEB EXPERIENCE

HTML, CSS/SASS, responsive design elements with media queries, vanilla Javascript, jQuery, ReactJS, Redux, Context API, Hooks, GraphQL/Apollo, etc., CMS (Drupal & Wordpress), .Net C# MVC & WebForms

Git CLI with Github to manage dependency libraries, version control and more.

PAST DATABASE EXPERIENCE

mySQL, Firebase, MSQl

SOFTWARE

Visual Studio Code IDE

Current editor of choice but very familiar with many other IDEs used in the past. Have also used various SCRUM or PM style software like Jira, Teamwork, Trello, and more.

Multimedia Production

Photoshop, Illustrator, Adobe Premier, After Effects, InDesign, Pro Tools, Logic Pro, Izotope audio software suite, and more.

Education

Ball State University, Muncie, IN — BA in *Multimedia Production* from the Tcom dept. & a *Business Technology* minor

Graduated in 2009 with a Bachelor of Arts. Included a web design class that helped send me down the path of web development for the next decade.

Online Education, — *React + Firebase, Hooks, Context API, GraphQL & much more.*

Zero to Mastery curriculum on Udemy. As well as online videos from other various sources as I continue to grow as a web developer using React and Firebase. .Net MVC C# from Pluralsight before that while still at UTMB
