EXPERIENCE

Dale Street Studio, LLC, Colorado Springs, CO — *Freelance*

JAN 2021 - PRESENT

My previous full-time employer asked if I'd take a 1099 contract during COVID remote work in 2021. LLC during this time to freelanceu.

MBCA, Colorado Springs, CO — *Web Project Manager, System Admin, CMS Site Building & Web Development*

NOV 2016 - DEC 2020

Project management, QA, content management, system admin, site page builder for primary large enterprise Drupal 7 CMS + CRM system from client side. Helped oversee a large-scale migration as WPM from a single CMS database to a muli-database CMS + CRM. Identifying and helping to solve a complex membership structure and various reporting needs. Full stack developer and support on a separate smaller Drupal 8 CMS system, it's modules/ library updates, and it's hosting. Managing web content, troubleshooting, and managing expectations from the client side.

ClosedOp, Seattle, WA — *Full Stack Web Developer*

JUNE 2015 - MAY 2016

1 year contract position for a startup. Supporting general web content development. Deploying their first responsive site to launch the company. As well as starting the initial build on a separate .NET MVC C# app.

UTMB, Galveston, TX — *Web Content Specialist, Online Education & Programmer II*

APRIL 2011 - JUNE 2015

Included classic ASP and .NET WebForms C# solutions. As well as responsive design & development to support the School of Nursing, School of Health Professions and the Provost Office.

Galveston Food Bank, Galveston, TX —*Web Designer and IT*

DEC 2010 - APRIL 2011

Designed and built their custom HTML/CSS/Vanilla Javascript site from the ground up. Implementing a custom static CSS framework and much more. Also provided general IT support for their inventory system.

CURRENT SKILLS

HTML, CSS/SASS, responsive design elements, Javascript, jQuery, ReactJS, Redux, Context API, GraphQL/Apollo, etc., CMS (Drupal & Wordpress), CRM (CiviCRM), Git, web content and multimedia production, 3rd party website content management, project management, various audio production, mixing, & mastering skills

DATABASE EXPERIENCE
mySQL, Firebase, MicrosoftSQL

SOFTWARE

Visual Studio Code IDE
Current editor of choice but very familiar with many other IDEs used in the past.

Adobe Media Software
Photoshop, Illustrator, etc.

Command Line Interface
When developing, I prefer using the CLI to manage dependency libraries, version control and much more.

3rd party web systems Very comfortable operating in 3rd party web software to edit sites. (Wordpress.org, Wix,

etc.) Fast learner for new systems.

Education

Zero to Mastery, Udemy.com — *React + Firebase, GraphQL & more*

Continuing education online from 2019 thru now

Pluralsight.com — *.NET C# MVC and other web courses*

Continuing education online around 2014

Ball State University, Muncie, IN — BA in *Multimedia Production from the Tcom dept. & a Business Technology minor*

Graduated in 2009 with Bachelor of Arts
